- **Staff will problem-solve with you to identify any immediate solutions to your housing crisis and conduct a 30-minute assessment of your needs.** Your information is confidential and used only to connect you with housing or services.

- **Housing and shelter are very limited.** Staff will explain if there is anything available for you, and if not, how to stay in touch. Staff will contact you if something becomes available.

- **Keep your info updated.** Stay in touch and keep your info updated. Let your HRC know if anything changes like your location, contact information, housing, health, or family situation. You can go to your HRC’s drop-in hours or leave updates on your HRC’s message line.
